

Have you met Susie Switch Witch?

Have you met Susie Switch Witch?
She wears a crooked hat
She's on the hunt for candy
To feed her naughty bats

They like the brightest lollipops
The green chews and the blue
And if you have some bubblegum
They'll really want that too!

After trick or treating
Pick out some things to keep
And then put in a bucket, things
To swap while you're asleep

Then only when you're snoozing
Susie will drop in
She'll take out all the candy
And who knows what she'll put in?

You might wake up and find a toy
Maybe a book or bear?
Something for your piggy bank?
A funny game to share?

So put aside some candy
For Susie's bats to eat
And in the morning you will find
A different kind of treat!
